

# UI DESIGN

**Name:** Ann Maria Anil

**Reg.no:** 2341419

**Project:** QBankPro- Interview Question Bank

**Starting the server:**

```
PS E:\project\qbankproweb> python manage.py runserver
○ Watching for file changes with StatReloader
Performing system checks...

System check identified no issues (0 silenced).
March 16, 2025 - 21:42:19
Django version 5.1.6, using settings 'qbankproweb.settings'
Starting development server at http://127.0.0.1:8000/
Quit the server with CTRL-BREAK.
```

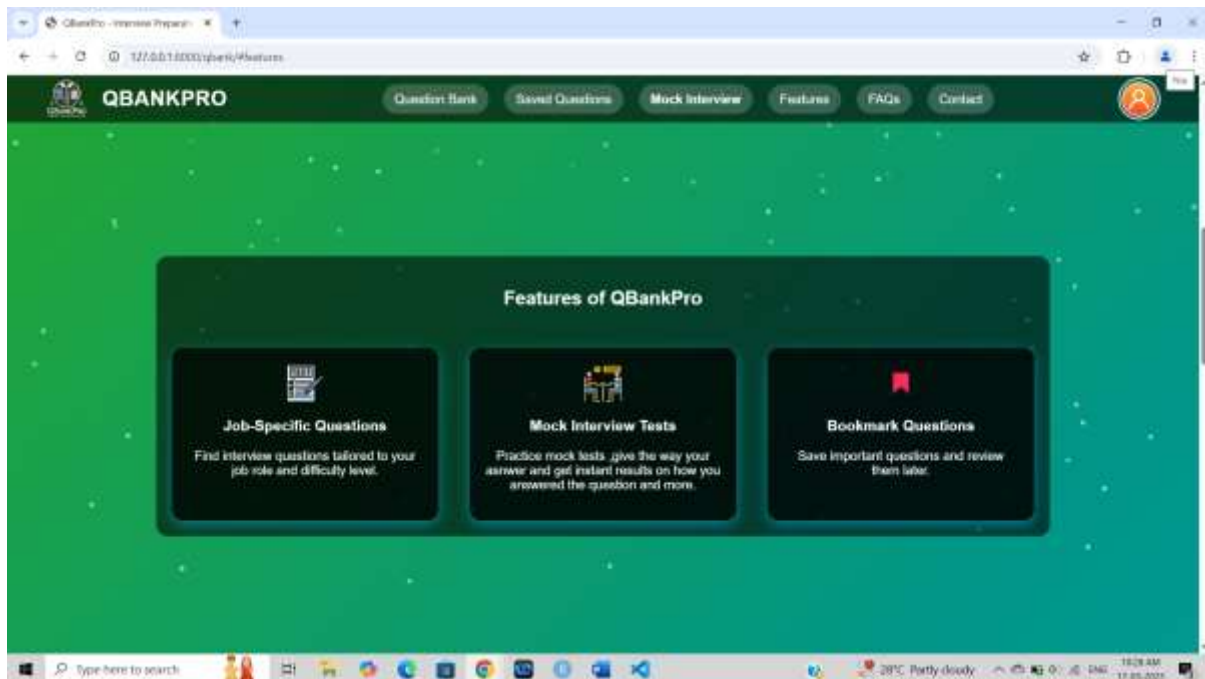

## 1. Home Page

- Description: The landing page of the website with navigation options.(before login only 3 navigation links are there – FAQs,Contact,Features; get started/login takes users to the registration page)

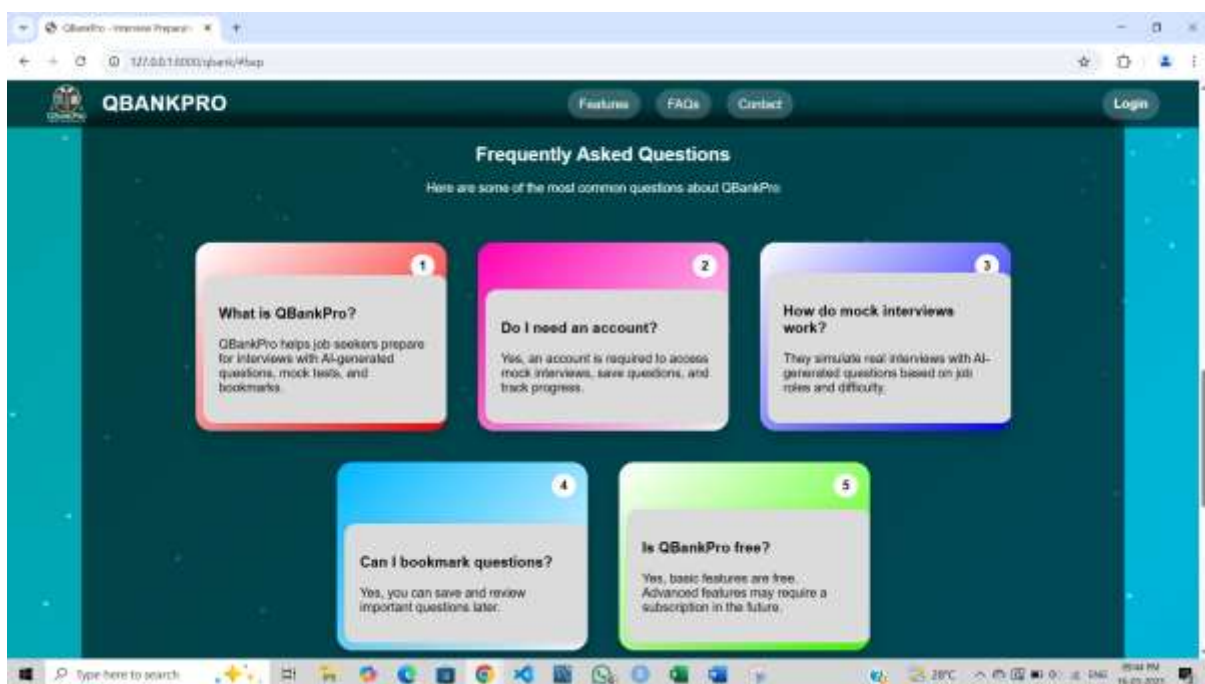

## 2. Features Page

- Description: This page appears when clicking the “Features” button present on the header part, it shows key functionalities.

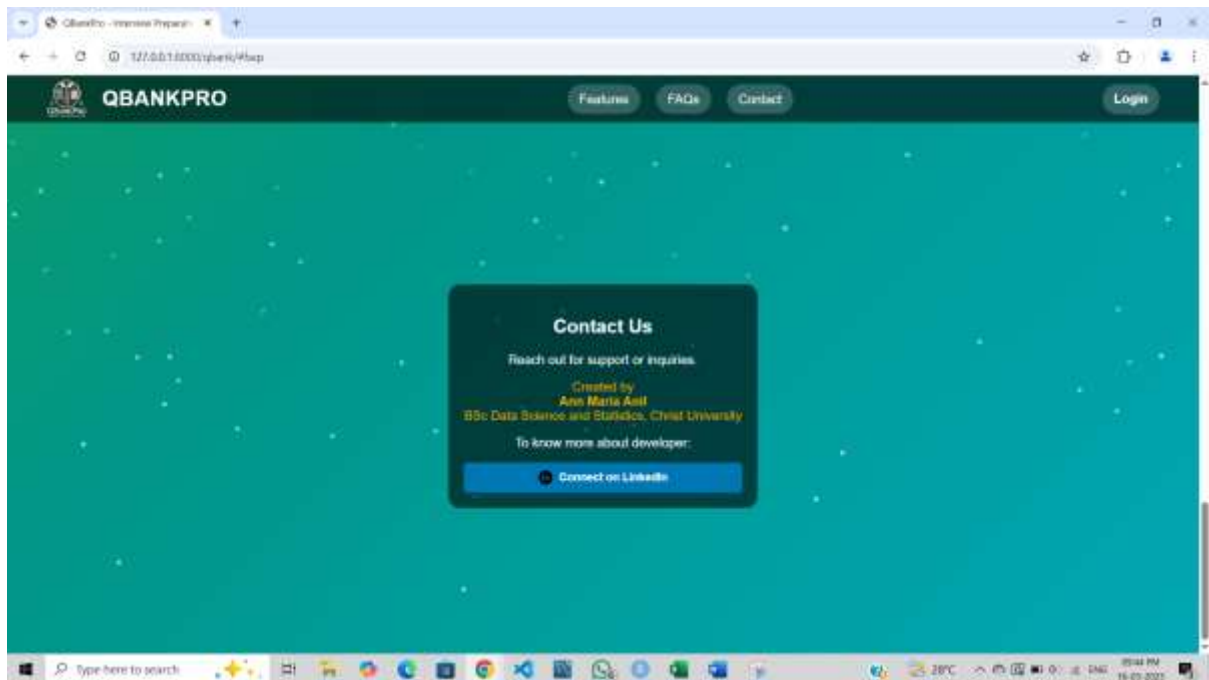

## 3. FAQs Page

- Description: Displays common questions and answers when clicking the “FAQs” button.

#### 4. Contact Page

- Description: Clicking the “Contact” button leads to a page displaying the developer's name and LinkedIn profile( my details and my LinkedIn profile)

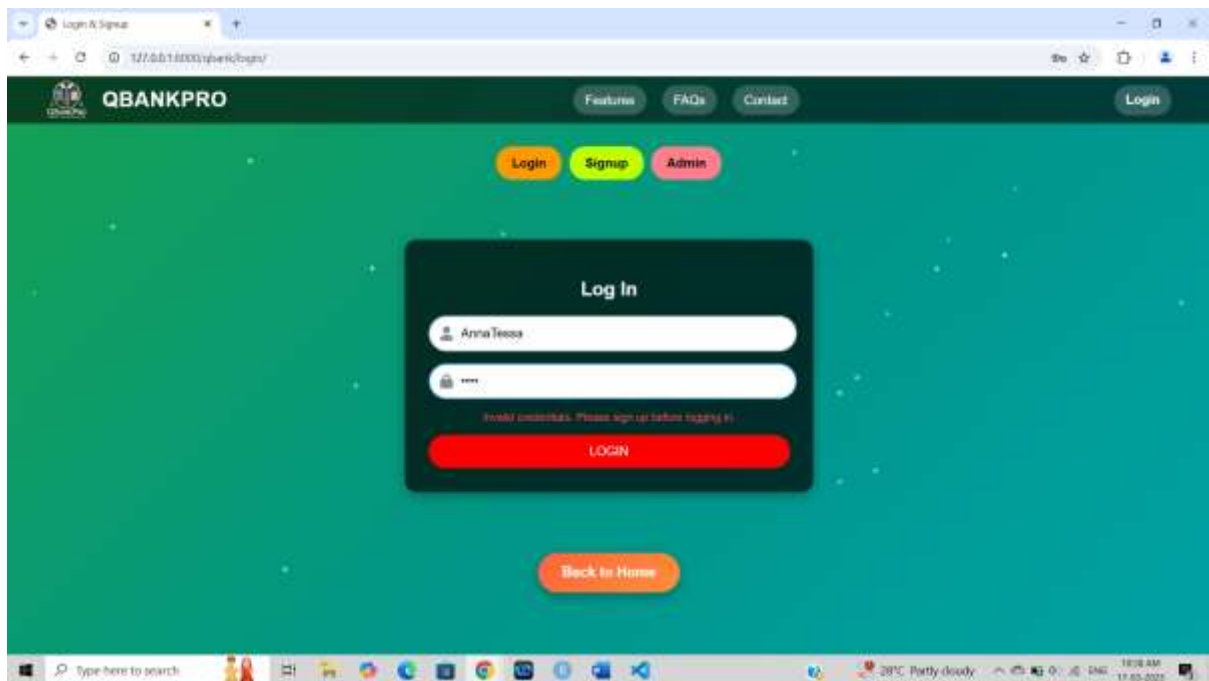

#### 5. Login Page

- Description: This page is for registered users to log in.

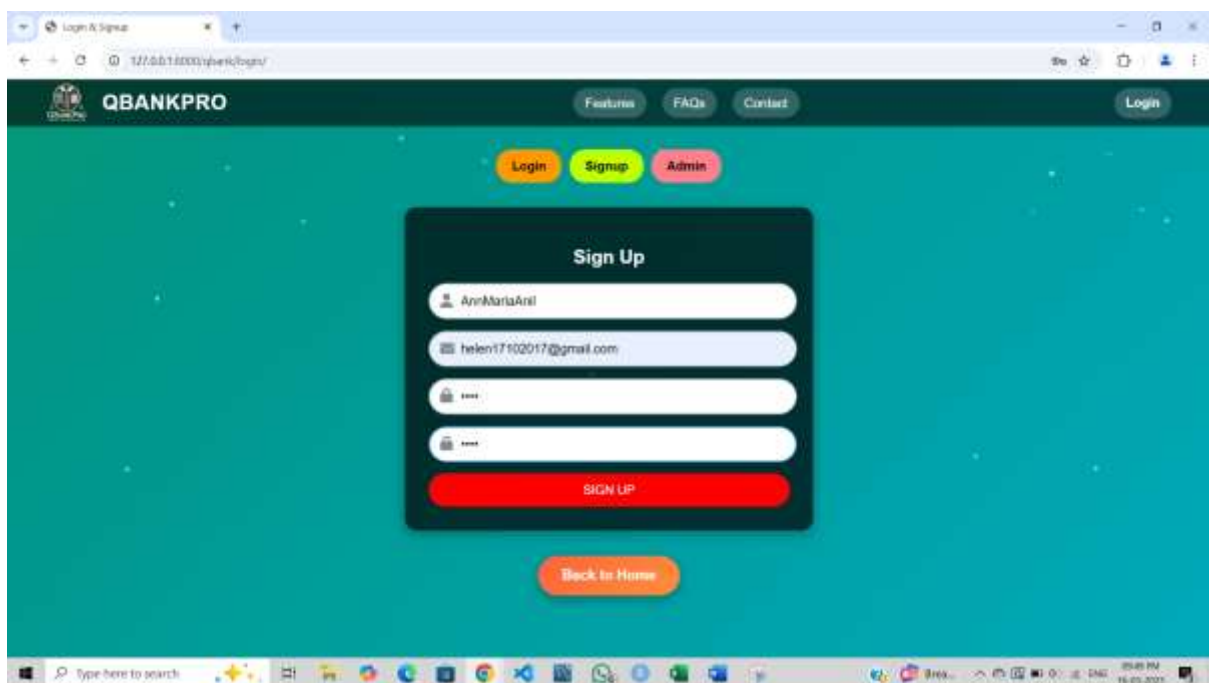

Unregistered users log in then error message is displayed

## 6. Sign-up Page

- Description: New users can register here.

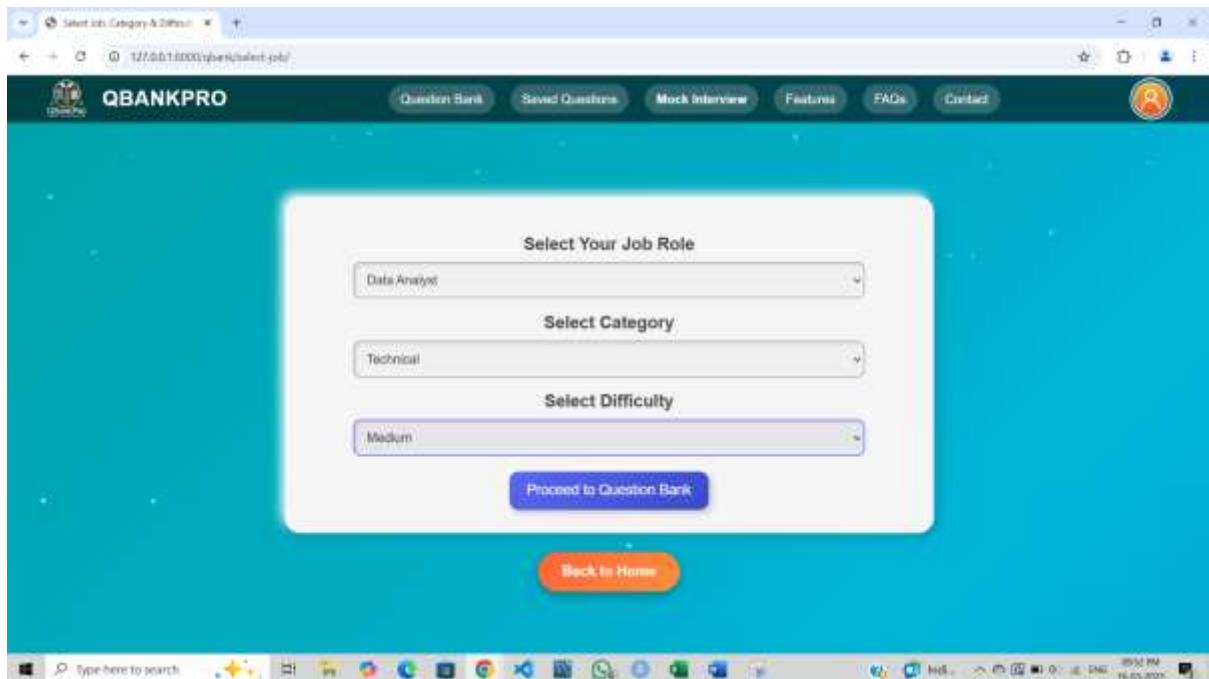

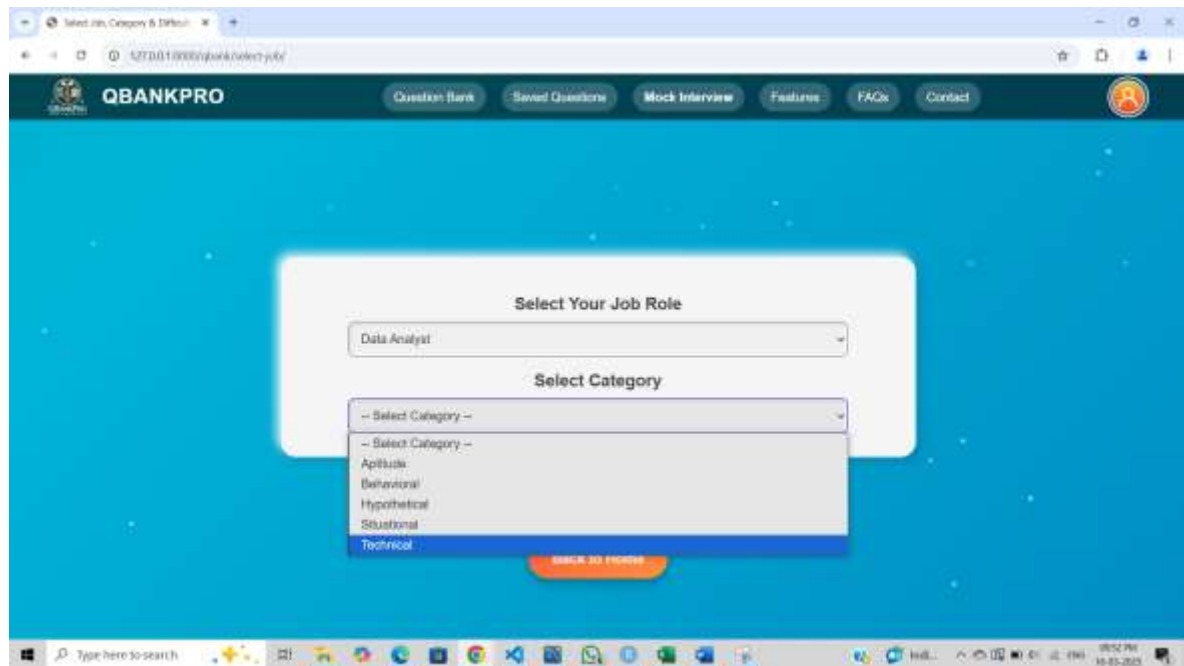

## 7. User Dashboard (After Login) - New Visibility of Options

- **Description:**
  - Before logging in, only the **Features, FAQs, and Contact** buttons were visible.
  - After logging in, three new buttons appear:
    - **Mock Interview**
    - **Question Bank**
    - **Saved Questions**

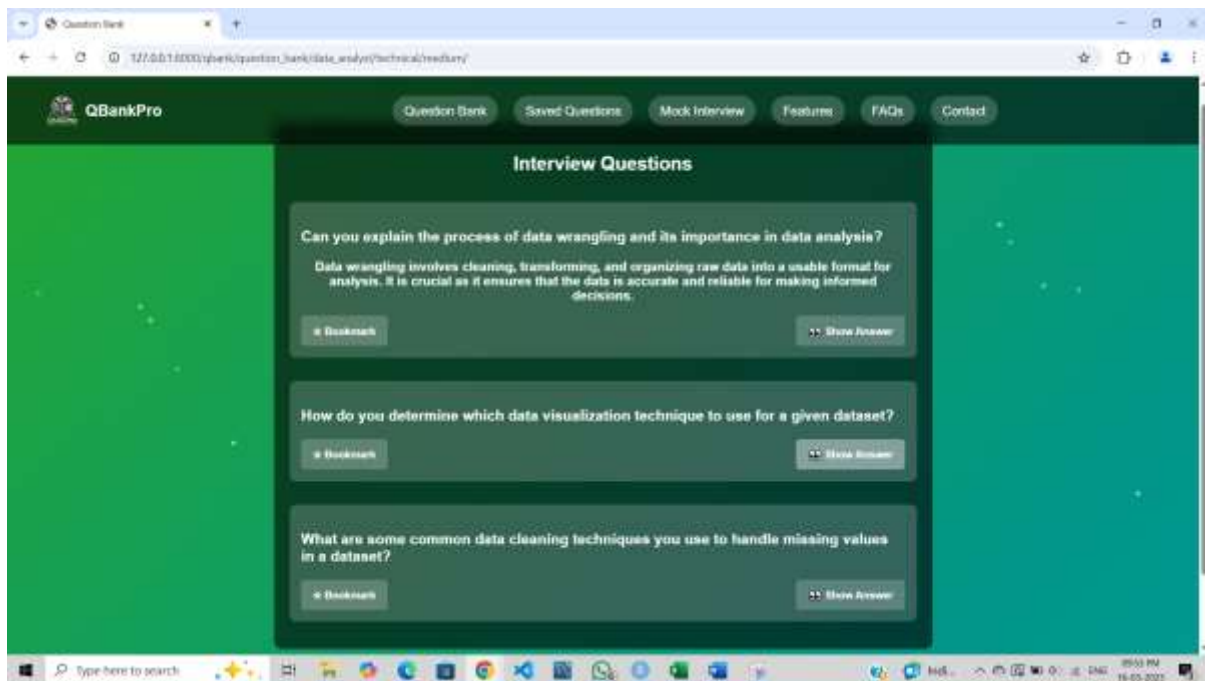

## 8. Question Bank (Job Role Selection)(after logging in )

- **Description:**
  - Users select a job role: For example selecting Data Analyst, Technical type , Medium difficulty.
  - Displays relevant questions. Users can select 'Show answer' to see the Q and bookmark as well

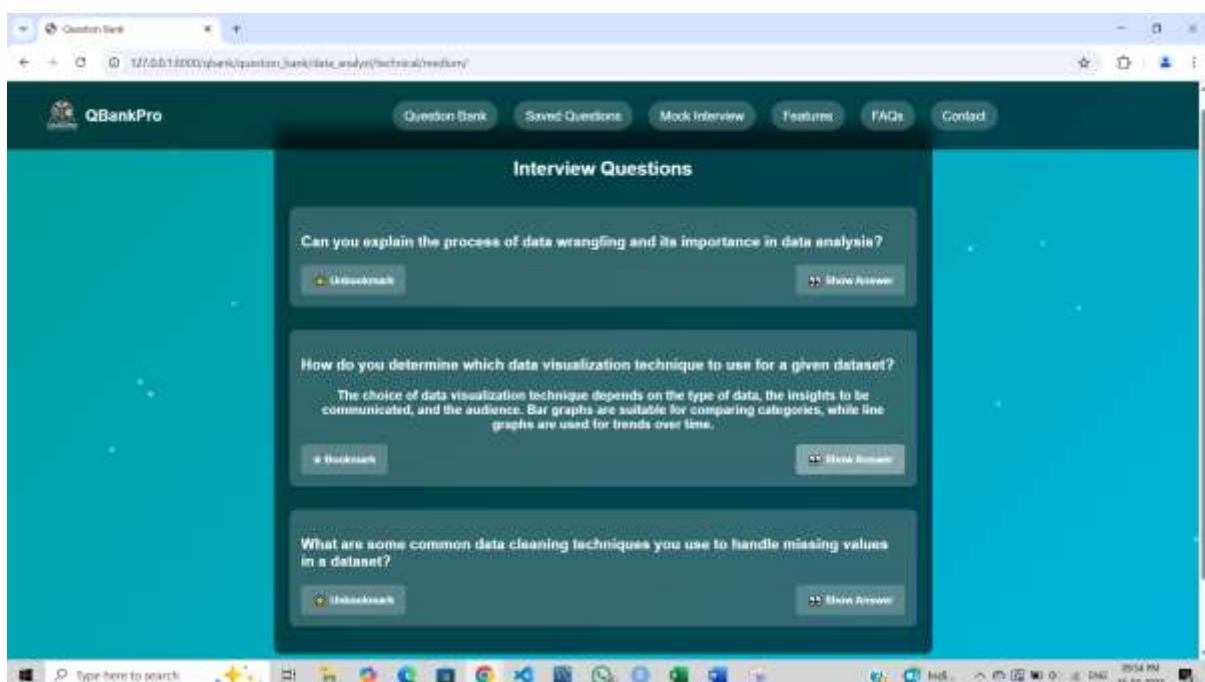

Showing the 1<sup>st</sup> Q answers

## 9. Bookmarking & Saved Questions

- **Bookmarking a Question:** Users can save questions for later.
- **Saved Questions Page:** Displays all bookmarked questions.
- **Unbookmarking a Question:** Users can remove a question from saved items.

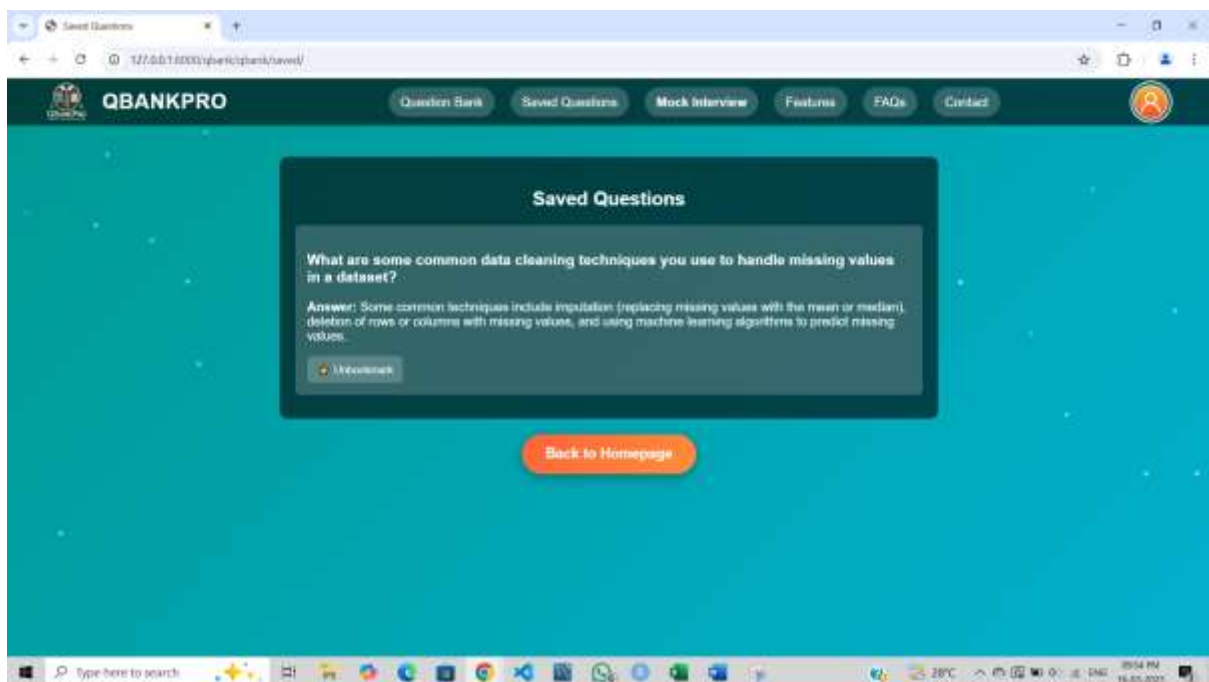

Here I bookmarked the 1<sup>st</sup> and 3<sup>rd</sup> Question-

Selecting the 'Saved Questions' option shows Qs, bookmarked by the user logged in-

Here, as a user Unbookmarking a Q that I(user) saved-

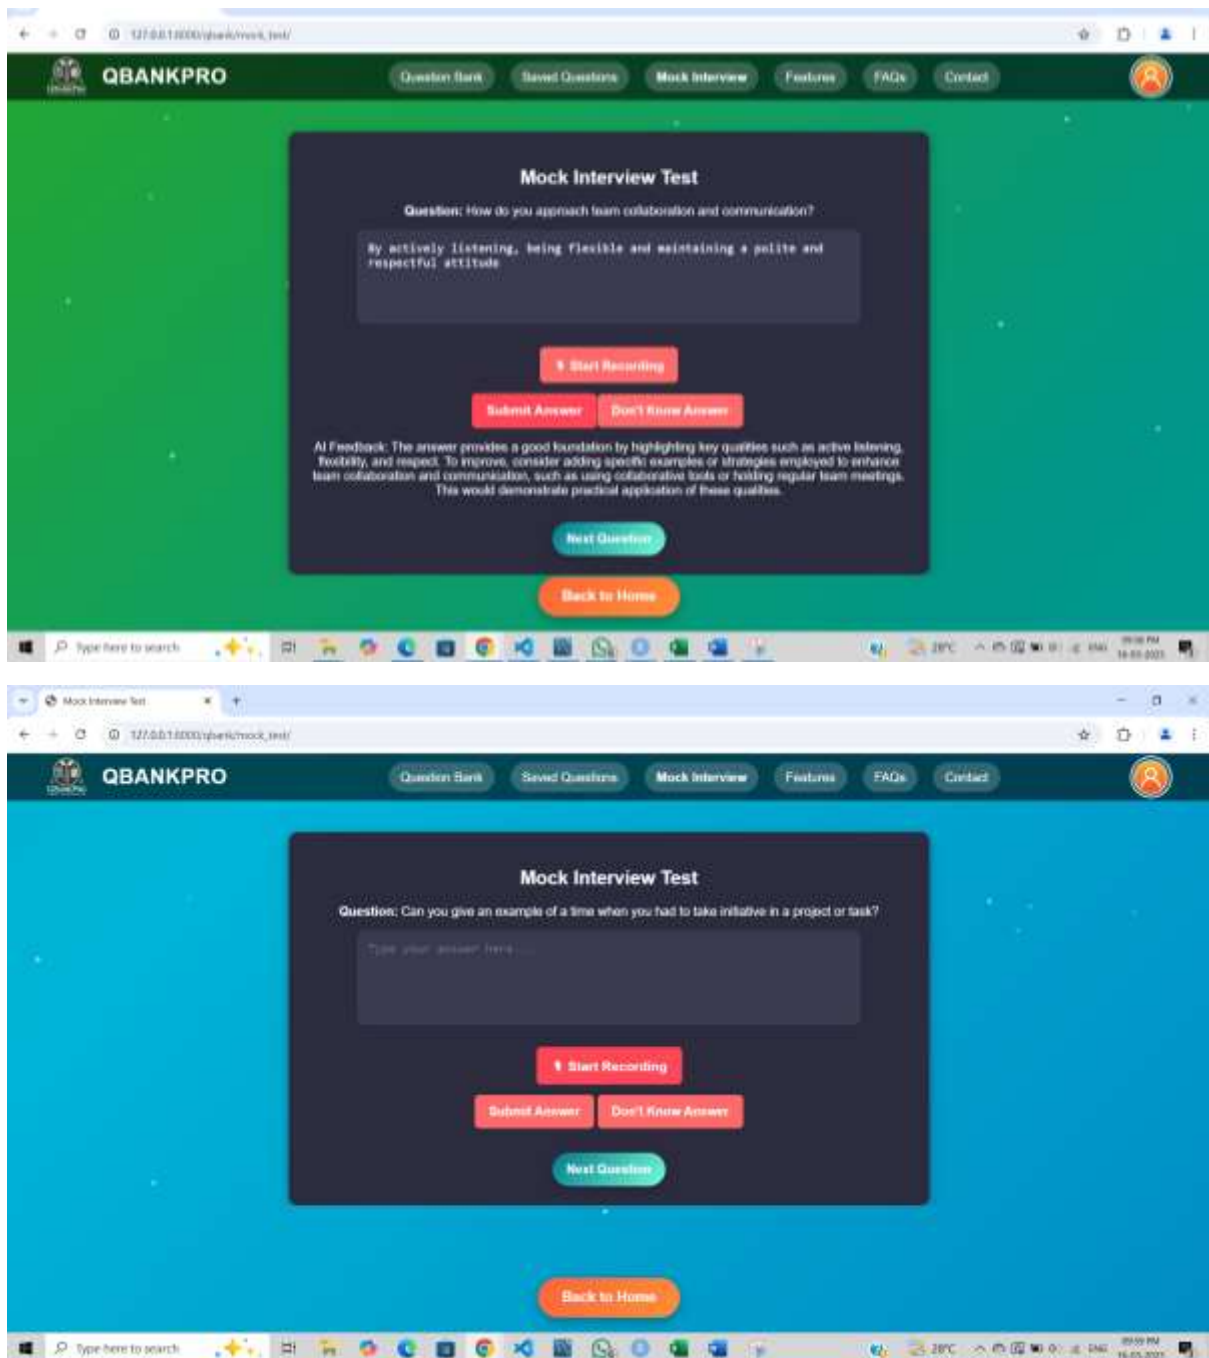

## 10. Mock Interview

- Description:
  - Users can answer questions by typing or using voice input.
  - AI evaluates responses.

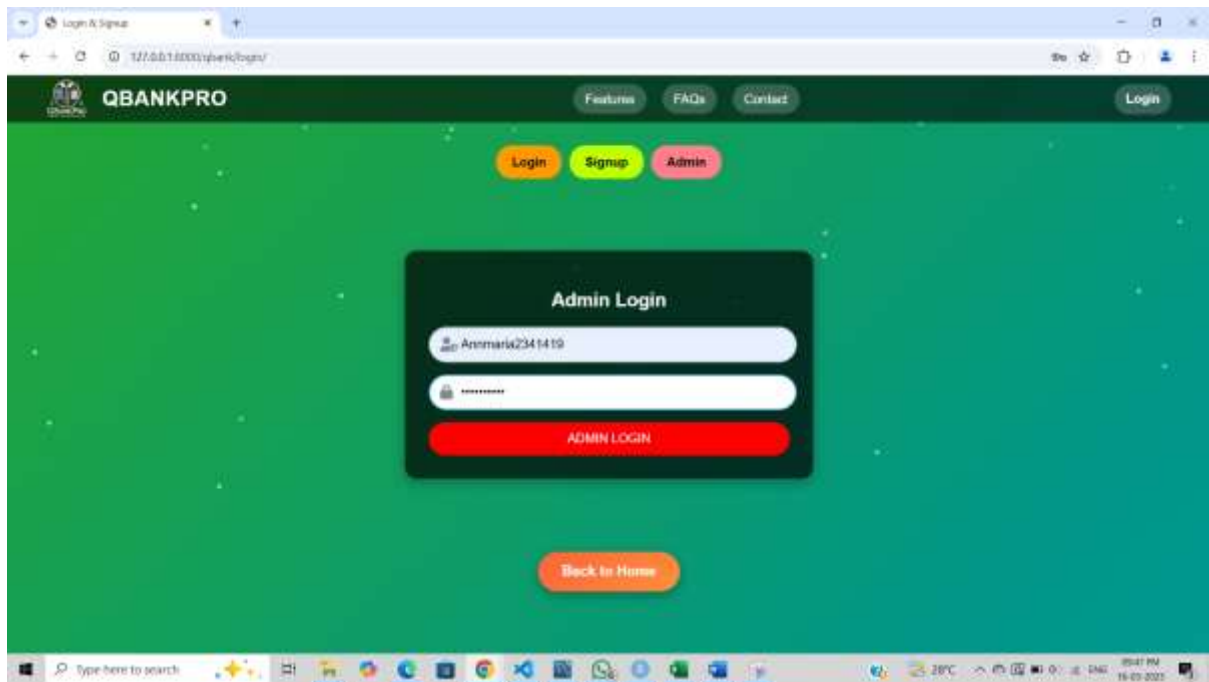

- This is a Q shown and I, as a user gave this as my answer so my answer was evaluated

## 11. Admin Login Page

- Description:
  - Only admins can log in.
  - If a non-admin tries to log in, an error message is displayed.
  - Admins can see a list of registered users. Here the dmin is 'Annmaria2341419'

Only admin can see the list of registered users-
